5 INFORMATION ON MOTHER TONGUE LANGUAGES (MTL) / THIRD LANGUAGE

5.1 Higher Mother Tongue Language (HMTL)

- **Eligibility to offer HMTL at IP1 is determined by MOE.** Students who are eligible to offer HMTL will receive a message (via Parent's Gateway) from the College by **23 Dec 2024**.
- At TJC, both HMTL and MTL (Express) are offered. The difference between HMTL and MTL (Express) is mainly in subject rigour and assessment format.
- **It is not compulsory for students to offer HMTL.** Therefore, students who are eligible to offer HMTL can still opt to offer MTL (Express).
- Students will subsequently be recommended to offer HMTL / MTL (Express) based on their overall performance in the subject at the end of IP1 and IP2. i.e., MTL (Express) students will be offered HMTL at the end of IP1 and IP2 should they perform well based on the school's evaluation and vice versa.

- Students who offer HMTL will only sit for HMTL exams; they do not need to sit for MTL (Express) exams at the same time.
- Both MTL (Express) and HMTL students will sit for their respective O-Level MTL (Express) or O-Level HMTL examination at the end of IP4.
- Students who offer MTL (Express) at IP level will also continue to offer H1 MTL at IP5/JC1.

5.2 Third Languages / Chinese Special Programme / Malay Special Programme

- **Eligibility to offer Third Language OR Chinese Special Programme OR Malay Special Programme at IP1 is determined by MOE.** Students who are eligible to offer the above subjects will receive an email from the College by **23 Dec 2024** on the registration details.
- Third Language / Chinese Special Programme / Malay Special Programme is an examinable subject at the O-Levels and the annual overall results are counted towards your child's overall Grade Point Average.
- Hence, do note that the academic demands of taking three examinable languages (Language Arts, Mother Tongue or Higher Mother Tongue Language, and Third Language / Chinese Special Programme / Malay Special Programme) are significant.
- **To allow us to streamline and optimize students' timetables, all students will do Third Language on Tuesdays next year.**
 - This arrangement has been made with the MOE Language Centres.
 - Students will have to make their own transport arrangements to these centres
- Chinese Special Programme / Malay Special Programme will be conducted in designated zonal centres. The centres will determine the day of the week these lessons will be conducted. Students will have to make their own transport arrangements to these centres. (Note that if the lesson day determined by the zonal centres does not fall on a Tuesday, students may have to miss timetabled lessons / CCA in TJC to attend the Chinese / Malay special programme lessons.)

5.3 Offering Mother Tongue Language (MTL)-in-lieu / Exemption from MTL

- Offering of MTL-in-lieu OR an exemption from MTL is **only applicable for students who have applied and received the MOE approval letter at Primary School level.** Please note that once approved, this status cannot be changed, i.e. there is no switching back from MTL-in-lieu to MTL.
- **Please submit all MOE approval letters to the General Office by 10 Jan 2025.**
- Students offering MTL-in-lieu will need to make personal arrangements for lessons to be conducted at home or at private institutions. It is important that the arrangement does not affect the timetabled lessons.

- Should you like to apply to attend lessons at the MOE Language Centres, please email Mrs Chong-Ong Lay Pheng, Head of Mother Tongue Languages (IP), at ong_lay_pheng_a@moe.edu.sg for more information. Note that application approval is based on availability at the MOE Language Centres.
- MTL-in-lieu is an **examinable subject**. Students will sit for end-of-year examinations every year at the MOE language centre and these results are counted towards your child's overall Grade Point Average (GPA). Students will also sit for the O-level examination in their respective MTL-in-lieu subject at the end of IP4.

5.4 Non-Tamil Indian Languages (NTIL)

- Note that only Tamil Language is offered in TJC.
- Students who wish to offer NTIL should contact the relevant language centres and make arrangements to attend Saturday lessons at the centres (e.g. for Hindi language, this would be the Hindi Society and DAV). This is recommended as students learn best in a structured language-learning environment where standards of learning can be assured.
- If parents wish for their children to attend NTIL lessons in school, they will need to write to the school to request for in-parallel lessons on the TJC campus. Parents should group together to make personal arrangements with the teacher from the relevant organization. It is important that the arrangements made do not affect the students' timetabled lessons in school. Please contact Mrs Chong-Ong Lay Pheng, Head of Mother Tongue Languages (IP), at ong_lay_pheng_a@moe.edu.sg, for more information.
